LISTEN VISION

ASYNC WIRELESS CONTROLLER
LS-X5
# SPECIFICATION

OVERVIEW

LS-X5 is an async wireless controller of LISTEN VISION, which supports multiple communication modes including USB, net access, cable network, 3G/4G etc, specializing in super long screen.

APPEARANCE

USB 2.0

USB 3.0

100M net access

power light

4G antenna

DC 5V

HDMI IN

USB interface

audio interface

RS232

1000M net access

GPS antenna

WIFI antenna

PRODUCT PARAMETERS

- Name：async wireless controller

- Load：1280*720 CAN connect multi cards

- CPU：A8 dual core， 1.2GHZ

- Memory：8G，can extend to 128G

- Refresh rate：max 16KHZ

- Grey level：max 65536

- Scan mode：compatible with main chips, smart setting

- Communication interface：net access/U disk/SD

- Communication mode：USB, network access，cable ，3G，4G，WIFI

- Remote management：remote cluster / cloud management and remote upgrade

- Audio interface：onboard integrated audio card, R/L stereo analog audio

- Video decode：1080PHD hard code

- Video format：MOV、AVI、MP4、DVD、ASF、WMV、MKV、RM、RMVB、TS、DAT、MPG、MPEG、VOB

- Audio format :MPEG-1 Layer3、WMA、WMA Pro、AAC、MPEG1/2 Layer 1/2、ADPCM、OGG Vorbis、Dolby Digital AC3、Dolby Digital Plus、RA-COOK、FLAC

- Memory interface：Memory interface： USB 2.0/3.0 Host

- Timing play：support

- Sensor：temperature, humidity, smog, luminance sensor

- Working temperature：-40℃~85℃

- Partition：free

- Software edition：LS Cloud platform，APP
